XDJ-700
REKORDBOX COMPATIBLE COMPACT DIGITAL DECK

The XDJ-700 comes with a large touchscreen, a familiar club layout and it inherits a host of features from its big brother, the XDJ-1000. Its compact size and removable stand offer great set-up possibilities for even the smallest booth or home set-up. With support for our free rekordbox™ software you can prepare and manage your tracks on a PC or Mac before hitting the booth.
