

54RET RETAIL BOX - 54 PLECTRUMS

Box of 54 plectrums, containing all the 18 wood varieties of Timber Tones collection. Picks are divided into partitions by 4 units and the transparent box lets you admire the variety and beauty of picks at first glance. It is also provided a technical data sheet for the recognition of types of wood and some advices on using picks with different instruments and musical genres. Very useful for retail shop counters.
