

HS-721-U

HIHAT STAND WITH A-FRAME STRUCTURE AND POSITRACK SYSTEM

700 Peace Arena series is suited for professional drummers who are looking for durable and fully adjustable hardware, suitable to withstand the life on road and offer the required stability during gigs. All models of 700 series features heavy duty double braced legs to ensure maximum stability with thick and heavy tubing and booms. A-FRAME structure style allow to use less space pivoting on two legs only. Peace HS-721-U is equipped with Positrack system which allow to rotate the pedal without moving the whole stand so that you can always find the ideal placement.
