

0053354000

STANDARD SERIES TELECASTER® BRIDGE ASSEMBLY CHROME

Made for Fender® instruments in a variety of vintage-style and contemporary models.

Chrome-plated bridge plate with six adjustable block-style saddles. Assembly includes intonations screws, springs, and height adjustment screws. Does not include bridge or pickup mounting hardware. Includes saddle height adjust wrench.

Used in most Standard Series (Mexico) Telecaster® models manufactured from '04-Present. Will not retrofit to a 3-screw mount design bridge footprint without modification.
