LASER ENGRAVED DISPLAY WITH 36 WOOD PICKS ITALY SERIES

What about putting some of Italy's stunning highlights on a bunch of picks? Great, isn't it? With ITALY GUITAR PICK series Timber Tones has put this idea on the table, delivering a deluxe laser engraved display with 36 laser etched wood picks. Just like every Timber Tones, ITALY series picks are CNC Milled from the very best quality timber then hand sanded and hand polished to give them their amazing shine and smoothness. Timber Tones unique shape is roughly based upon the classic 351 design, however they are 2.4mm thick where you hold them, chamfering down to 0.7mm at the playing tip.

KEY FEATURES

African Ebony (6pcs) is a very close-grained timber that polishes to a smooth finish, this ensures that you get a clean crisp sound. The hardness ensures that it can withstand the rigors of Electric Guitar playing. Graphic: Map of Italy.

Bloodwood (6pcs) is a very hard timber, which polishes to a mirror like shine making it ideal for Electric Guitar. Timber Tones are CNC Milled from the very best quality timber then hand sanded and hand polished to give them their amazing shine and smoothness. Graphic: Colosseum

Purple (6pcs) heart is on the cusp between an Electric Guitar and Acoustic Guitar use. Warm mellow tones can be achieved on an Electric Guitar however the relative hardness of Purple Heart is likely to slightly brighten the tones of most Acoustic Guitars. Graphic: Gondola

Almond Wood (6pcs) is a medium soft timber which will add a good level of warmth to the tone of most Acoustic Guitars. Timber Tones are CNC Milled from the very best quality timber then hand sanded and hand polished to give them their amazing shine and smoothness. Graphic: Michelangelo's David

Burma Padauk (6pcs) is a relatively hard timber, close grained and polishes very well. This means that it will add clean crisp and bright tones to most Acoustic Guitars. Graphic: The Creation of Adam

Thai Sindora (6pcs) is the softest timber in our range and as such it will also be the warmest sounding Timber. Timber Tones Guitar Picks are CNC Milled from the very best quality timber then hand sanded and hand polished to give them their amazing shine and smoothness. Graphic: Slice of Pizza
