BASS FOAM CORE CASE

The Precision Bass®/Jazz Bass® Foam Core Case delivers the perfect blend of gig bag portability and hard-shell case security. Its rugged, water-resistant 600-Denier nylon exterior and dense EPS foam core safeguard your guitar from bumps and scratches, while the plush interior lining adds extra protection. With a modernized, sleek design, a spacious accessory compartment, and a removable shoulder strap for comfort, this case makes safely transporting your Precision Bass®/Jazz Bass® simple and hassle-free.
