3-SADDLE CUSTOM "CUT-OFF" VINTAGE-STYLE TELE® BRIDGE WITH COMPENSATED BRASS SADDLES

The "cut" 3-saddle top-load/string-through Tele bridge delivers classic Tele tone and feel with a stylishly sleek silhouette and flexible setup options allowing you to tailor the tension and tone of each string to your liking. The American Pro II Telecaster Deluxe bridge sports a svelte "cut" design with compensated brass barrel saddles, accurate intonation and vintage-informed tone. Strings can be top-loaded for reduced tension, resulting in a mellower twang and springy attack that's perfect for rock n roll.

PRODUCT DETAILS
