

MK401

LIGHTWEIGHT 61-KEY "TOUCH RESPONSE" PORTABLE ARRANGER KEYBOARD WITH HIGH QUALITY STYLES AND SOUNDS AND SD AUDIO PLAYER.

MK-401 is a lightweight 61-key portable keyboard with "Touch Response", durable and new for any musical need. The lightness of this keyboard allows easy transport. The large number of styles, songs and sounds preloaded in combination with the possibility of sampling some new sounds allow the user to play many musical genres giving space to creativity. The MK-401 keyboard is equipped with an SD Card reader thanks to which it is possible to play MIDI and Audio(Wav) files. The learning tutorial system allows to easily practice who is starting to play. Being equipped with a USB connection, the MK-401 keyboard can be connected to a computer and use USB/MIDI and USB/AUDIO functions. This keyboard is perfect both for experienced musicians and for those who are just starting to make musical performances.
