BURMA PADAUK SERIES - PACK OF 4

Burma Padauk is one of the most beautiful timbers in the Timber Tones range with swirling patterns of oranges and brown. They are CNC Milled from the very best quality timber then hand sanded and hand polished to give them their amazing shine and smoothness. Timber Tones unique shape is roughly based upon the classic 351 design, however they are 2.4mm thick where you hold them, chamfering down to 0.7mm at the playing tip. Burma Padauk is extraordinary in that it is relatively hard, unlike its Indian Padauk cousin. It is close grained and polishes very well meaning that it will add clean crisp and bright tones to most Acoustic Guitars.
