

IKlip xPAND Stand

IKLIP XPAND STAND - UNIVERSAL TABLE RISER STAND FOR IPAD AND OTHER TABLETS

Introducing iKlip Xpand Stand, IK's next generation expandable tabletop riser stand. It's designed to securely hold your iPad, iPad Air, iPad Pro, iPad mini, Android device or other tablet with a screen size between 7" and 12.9" above keyboards, mixers, DJ gear, notes and other tools. It's an all-in-one solution that's as useful for musicians as it is for small business owners, public speakers, professionals and anyone else who needs a sturdy way to secure their tablet for everyday use.
