

NG-1

NG-1 PORTABLE PIEZO PICKUP FOR NYLON-STRING GUITAR

NG-1 is the perfect nylon string guitar pickup choice for guitarists who need a piezo guitar pickup to amplify the natural sound of their instrument. It's a classical guitar pickup that brings true nylon-string sound, and does it without installation that requires modification.

Utilizing the tension of the strings, the guitar pickup design of NG-1 installs safely and securely on the classical or flamenco guitar tie block.

NG-1 is a passive classical guitar piezo pickup system designed to work flawlessly with your favorite acoustic amplifier or preamp. A 1/8" to 1/4" cable is included.
