PORTABLE ARRANGER KEYBOARD WITH 61 TOUCH RESPONSE KEYS

The Medeli M17 arranger keyboard is equipped with 61 touch response keys that allow you to give expression and nuances to your performances. It offers a wide variety of sounds and styles that cover a very wide range of musical genres. Thanks to the built-in bass-boost sound system, with 2x10-watt speakers, this keyboard offers a strong sound but rich in low-frequency performance with remarkable bite and clarity. The backlit LCD Display allows you to easily navigate between different sounds, styles and functions. Thanks to its lightness, the Medeli M17 keyboard is easily transportable, making it the perfect companion for both professionals and simple enthusiasts.
