

EC11789

CURCI METHOD WITH CD WE PLAY SUONIAMO IL FLAUTO DOLCE

Playing the recorder is easy and fun.

Open this book and immediately find out everything you need to know to start playing. From the basics of how to play music to your first real songs, with games, nursery rhymes and famous melodies that you read to learn the technique while having fun.

The fingering diagram and an appendix on how to practice and care for your flute complete the book.

Let's play the recorder! is the book where you find everything you need to get started right away.

And learning an instrument becomes child's play!

Age: + 6 years
