

DP-420K

88 KEYS CABINET UPRIGHT DIGITAL PIANO WITH K8 KEYBED

Equipped with the new K8 keybed, the DP420K provides a true piano touch. Three sensor touch points that captures player's expressiveness, and a special hammer system that recreates the feeling of an acoustic piano. 128 note polyphony allows pianists to play any music without a drop of a note. With the USB-MIDI connector, the piano could be easily connected to any MIDI compatible software on the computer, opening a wide range of voice selection at your fingertips. With the built in recorder, pianists are able to record up to 5 songs for review. There are also 60 piano preset songs with left and right hand learning for beginners. DP420K is a great choice for beginners and music enthusiasts alike at an affordable price.
