

M331

PORTABLE ARRANGER KEYBOARD WITH 61 TOUCH RESPONSE KEYS

M331 is a powerful portable keyboard for beginners and music enthusiasts. In order to provide the best experience for beginners to explore their endless imagination, Medeli has provided 633 voices and 220 styles for beginners to experiment with. The 220 styles are also supported by 128 polyphony technology to ensure a full band backing effect without a dropping note. 150 classic songs are on board to be played with the Music Tutorial System, which is designed to teach beginners rhythm and music notation. You can also record up to 8 songs to be replayed on the keyboard in the future. Simply plug a music player into the Aux In jack and a microphone into the Mic jack, you can instantly play and sing along to your favorite song. M331 is filled with fantastic features with endless possibilities for music enthusiasts.
