LA CHITARRA VOLANTE

"La chitarra volante" is a complete educational path, easy and fun, created by Maestro Nicola Vito Paradiso. Two cute characters accompany the children in the fascinating journey of discovery of music with the guitar as a means of transport. The approach to study is agile and practical learning fast. Thus, students gain independence soon technique and musicality needed to sustain and develop their passion for the instrument. The songs offered are of different genres and in progressive order of difficulty.
