

Timbertones

FEL-MT-4

4 FELT PLECTRUMS SET IN A TIN BOX

Set of 4 Felt picks each with a different felt pattern: Black, Brown, Grey, Natural Wool. Felt material has a soft flexible feel making it very suitable for strumming and giving it a warmer tone. Felt Tones are designed to have a large holding area, often required for the aggressive strumming associated with Ukulele.

KEY FEATURES

4 plectrums in Black, Brown, Grey, Natural Wool Felt
